

Grapefruit Mimosas 🍷;

Grapefruit Mimosas!

I knew I wanted a twist on a classic mimosa for my #WWBrunch so instead of orange juice in my [Cense](#) Sparkling wine I used fresh grapefruit juice and a grapefruit wedge garnish!

I combined a bottle of sparkling wine and 8oz fresh grapefruit juice, making a 5oz mimosa just 3 [WW](#) Points each!

It was bitter and sweet and bubbly - and my guests loved it!
