

Summa Summa Summatime!

The [Goldbelly](#) food deliveries we've been getting through the pandemic have been so fun - we've had Maine lobsters, Alabama BBQ, and tomahawk steaks adventures so far.

Last night we kicked off this holiday weekend with a Low Country Boil from TopSail Steamers!

Clams, crab, shrimp, sausage, potatoes all arrived in a steamer pot, which Mr. Big cooked outside for about an hour. The result was delicious! We spread it over the table and everyone picked at what they liked!

Momma Shelley and I had rose sangria and the menfolk had red wine. It was a great night! 🍷
