

Uncle Bob's Greek Chicken

Uncle Bob's Greek Chicken for the win! 🏆 Bridget always raves about her Uncle Bob's chicken and last night I made it so now I know why! ?

It was too hot to cook the chicken on the stove, so Mr. Big grilled it and I made the sauce to pour over it: ?

- 🟢 I sautéed five cloves of garlic and three diced shallots in 1Tbsp olive oil. ?
- 🟢 When the shallot and garlic was browned, I added a cup of dry vermouth and 2Tbsp chopped oregano, and seasoned with salt & pepper. ?
- 🟢 Once the sauce came to a boil I reduced the heat and added chopped kalamata olives, a jar of capers (drained), and some cherry tomatoes. ?
- 🟢 I simmered the sauce until the tomatoes broke, and poured it over the grilled chicken, adding low-fat feta crumbles when serving. ?

I counted 7 WW Points for my chicken breast and the sauce and it was SO WORTH IT! You need to make this chicken! ?
