

## Veggie Ribbon Salad

Veggie Ribbon Salad &#x1f955;

I wanted to serve a salad at my #WWBrunch but I wanted to make it without lettuce so I decided to shave zucchini, squash, carrots, and asparagus and dress it with some homemade salad dressing made of:

3 juiced lemons

1/2c olive oil

1Tbsp cracked Black Pepper

1Tbsp Kosher Salt

I don't use all the dressing - just eyeball it so there's enough dressing to coat the veggies without soaking them.

Lastly, I add 1Tbsp shaved Parmesan cheese because: cheese!

My portion of this salad is 2 [WW](#) Points for 1.5 cups. Yum! &#x1f60b;
